

TOUGH IN EVERY ENVIRONMENT... BUT NOT ON YOUR BUDGET.

Cutting-edge technology just got more affordable.

Want the latest rugged tech, entirely personalised to your retail business? With no large upfront costs?

TOUGHBOOK-as-a-Service is an OPEX finance solution from Panasonic TOUGHBOOK. Include the latest TOUGHBOOK devices, accessories and services to enable you to deliver the omnichannel experience that today's market demands, providing vital competitive advantage.

Panasonic's rugged TOUGHBOOK tablets and point of sale (POS) stations perform in every environment – in-store dining areas, outdoors and in warehouses – making them the perfect tool for all retail applications.

TOUGHBOOK

Let's explore in a little more detail...

With 0% finance* you pay the same as a cash purchase but with the benefit of spreading your payments over 3 years.

Wrap other services, accessories and software into your package too.

No more outdated tech which means no more unexpected maintenance and downtime costs.

Every contract is flexible and can be tailored to your business requirements.

Low monthly payments make having the latest tech more affordable and it's better for your balance sheet.

The hassle-free end of life service means we take care of collection, secure wiping and disposal as required.
